D. Special Fees:

1. The payment of the fee for the construction, alteration, removal or demolition and for all work done in connection with or concurrently with the work contemplated by a Building Permit shall not relieve the applicant or holder of the permit from the payment of other fees that may be set forth in Chapter 2, Village Government, Article X, Fees, Fines and Penalties, Section 2.1001, Fees, or prescribed by statute, resolution or other ordinance requirements.

2. An additional fee as set forth in Chapter 2, Village Government, Article X, Fees, Fines and Penalties, Section 2.1001, Fees, shall be required for all new construction projects and all additions to existing buildings.

a. The fee is to assure the replacement, repair, cleaning or restoration of public property, damaged or littered by the contractor or the subcontractors, in the prosecution of the work for which the permit was issued.

b. If the public property is damaged or littered, the Contractor shall be notified to take necessary action to restore the public property to its original condition.

c. In the event the public property is so repaired by the contractor and approved by the Building Administrator or his designee, ninety percent (90%) of the fee shall be returned to the depositor; otherwise the Village shall use the fee to repair or clear the public property.
